About us

Cannon + Co Law is situated in picturesque Mermaid Beach on the Gold Coast. Our vision to help people "feel at home", both in their Body Corporate, and when dealing with our office. Our team fosters a culture which promotes work-life balance and an environment that is supportive and welcoming.

About the role

Our office is going from strength to strength, which comes with a need for more hands on deck!

We are looking for a full time lawyer to join our Gold Coast team. While we are based on the Gold Coast, our clients are throughout Queensland and accordingly, the candidate will need to be open to travel on occasion.

We are a boutique team and that means that the candidate will be working hand in hand with the Principle or if the candidate is more senior, collaborating as a team while maintaining your autonomy.

With a thriving office and continuing innovation comes many opportunities, accordingly, this role is designed for growth in the firm.

We are actively involved in the strata industry and our team enjoys attending networking and industry events and conferences.

About you

The successful candidate will have:

* 3 + years post admission experience.

* Experience in strata law and litigation.

* Be driven, innovative and a team player.

* Be eager to learn and grow.

* Be personable, approachable, inclusive and supportive.

The Cannon + Co Law team brings an entirely fresh approach to strata law. If you see yourself in such a role then apply with your covering letter & resume - remembering that we are interested in knowing you as a person!

The application form will include these questions:

- Which of the following statements best describes your right to work in Australia?
- How many years' experience do you have as a lawyer?
- Do you hold a current Australian legal practising certificate?
- Are you available to travel for this role when required?
